Anniversaries/Announcements/Milestones:

- Albert 8/05 10 years

Secretary Report:

- Motion to approve, 2nd, approved

Treasurer Report:

- Highlights given, motion to approve, 2nd, approved.

Literature Report:

- Highlights given, new cards selected are a hit
- Motion to approve report, 2nd, approved
- Synopsis on literature price increase of +/- \$3 across the board. As our current stock has been depleted, new stock will reflect price increase.
- Justyn presented motion to assist the Area with literature for the convention. how we have assisted with the Area convention. Question raised what does that look like. In the past we have assisted in several ways. We have sold literature at cost for them to sell, we have manned the literature table using our sales equipment and we have printed "Meeting In A Pocket" with the Convention information on the back cover. Vote taken on motion, 2nd'd and approved. Justyn to reach out to see for details on what they want/need.

Agenda Items from Steering Committee:

1. Telephone/Internet Update

- Trial run with Verizon and Ooma has begun. Verizon internet is faster for us than Spectrum. Phone calls currently come in through Spectrum, go to Ooma service, then are answered by in office volunteers. When calls are forwarded to night owl volunteers, they are able to see on the caller ID the call is from the CDCO.
- When the trial ends, Ed will make arrangements to have Spectrum equipment returned as he will not be in NY.
- Ed recommends the office phones be replaced, brief explanation given. Motion to spend up to \$50.00 to purchase new phones, 2nd'd, approved.

2. COR Email

- Discussion on why it was brought up, pros and cons.
- Anyone interested in an email as a COR, contact Jay to get set up.

3. Reserve Optimization

- Presentation with slides.
- Final review and vote at September meeting

4. Update on District 5

- Calls have started to come into the CDCO in District 5. Working on 12 step list and getting a COR
